Speech-Language Homework Calendar

Parent(s): Please post this calendar where your child can easily see it. Complete one activity a day while encouraging your child to use the skills targeted during therapy sessions. Send your therapist three videos of your child doing these activities with you monthly.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
<p>THEMES: Week 1: Summer Week 2: Ocean Week 3: Father's Day Week 4: Ice cream</p>	<p>Sorting Shapes- Use a colored adhesive tape to make shapes on the floor. (e.g. circle, frame, star, rectangle, triangle, etc.). Classify toys between shapes on the floor. Practice vocabulary of toys and shapes.</p>	<p>Summer Flowers- On a sheet of paper, paint flowers using a fork. Dip the fork onto the paint and "stamp" the fork onto the paper. Use various paint colors. Count the flowers and practice the colors. *CHALLENGE</p>	<p>What do you want to do this summer? – On paper, help your child draw 3 places where he wants to visit this summer. Some ideas are: the beach, the zoo, the park, etc. Talk about the drawings and what you see in those places.</p>	<p>Water Bucket Race- Fill 2 buckets of water and place them next to each other. On the other end, put 2 buckets without water. Using sponges, transfer the water to the empty bucket. Practice words like: dip, squeeze, run, etc.</p>	<p>Bingo- Print the "Nature Hunt Bingo" sheet from our website and go outside to look for the objects and play together. Practice vocabulary</p>	<p>Use Boom Cards to practice: PIN: Look on social media or send a message to your therapist.</p>
<p>Paper Jellyfish- Use a paper lunch bag and paint one side of the bag. Draw a face on the closed end. Cut strips into the open part for the tentacles. Talk about the process.</p>	<p>YouTube- Watch "Baby Shark" video on YouTube. Look for family photos to include in the song. Practice identifying the family and their names.</p>	<p>ABC Pool- Use chalk to write the alphabet on the floor outside. In a children's pool with 2 inches of water or a container with water, put letters. Get the letters and match the ones on the floor.</p>	<p>Use Boom Cards to Practice. PIN: Look on social media or send a message to your therapist.</p>	<p>Read- Read and ocean related book and look at the pictures. Talk about what you see.</p>	<p>A day at the beach- plan a day on the beach, collect shells, make a sandcastle, etc. Enjoy your adventurous day!</p>	<p>Coloring with Numbers- Print the drawing of the shark found on our website, or you can add numbers on a coloring page. Practice numbers and colors.</p>
<p>Use chalk to create a colorful drawing outside on the floor. Talk about what your child drew.</p>	<p>Paper Plate Fans- Cut a paper plate in half. Paint and decorate it. When dry, glue a popsicle stick on each corner and connect it in the middle. Practice colors and talk about the heat and how the fan can help create fresh air.</p>	<p>Search for a Special Rock- During sometime outside, look for a large special rock. Wash it and when its dry paint and decorate it. Write: "My (dad, grandpa, uncle, brother, friend) Rocks!" Dedicate it to that special person in your life. Talk about the process and colors. *CHALLENGE</p>	<p>Activity Dice- Wrap a square cardboard box with white paper. On each side of the square, write an action. For example: jump like a frog, swim like fish, stomp like a dinosaur. Remember, take turns rolling the dice and doing the activity.</p>	<p>YouTube- Watch a video on YouTubeKids that celebrates Father's Day. An example is Cocomelon's "My Daddy is the best".</p>	<p>Medal of Honor - Paint the back of a paper plate yellow. In the center of the plate, write a message for someone special. Decorate the sides with buttons, stars, etc. Stick a ribbon on the bottom to finish the medal. Practice vocabulary and colors.</p>	<p>Use Boom Cards to practice: PIN: Look on social media or send a message to your therapist.</p>
<p>Lego Blocks- Use Legos to practice numbers. You can number a paper or a long block with 1-5. Have your child put the corresponding number of blocks.</p>	<p>Playdough Time- Using playdough, make a banana split. Get creative and use your imagination. What colors do you need for the banana, ice cream flavors, syrup, sprinkles, etc. Remember to take a picture and send it to your therapist.</p>	<p>Use Boom Cards to practice. PIN: Look on social media or send a message to your therapist.</p>	<p>Ice cream art using sponges- Cut a sponge into a triangle. On a piece of paper make stamps using paint and the sponge. Use cotton balls to paint the ice cream over the cone. Practice up, down, small, big, colors, and shapes.</p>	<p>On a tray, cover the bottom with sprinkles. Show your child the letters in his name and with their finger have them copy the letters on the tray. Practice the sounds and names of the letters.</p>	<p>YouTube- Search for the song on YouTubeKids "The Ice Cream Song" by Super Simple Songs. Sing and talk about your favorite flavors. Draw a picture of your favorite ice cream.</p>	<p>Make Ice Cream- Search Pinterest or YouTube for a recipe. Make it together and talk about the ingredients and the steps you are taking. *CHALLENGE</p>
<p>Use Boom Cards to Practice. PIN: Look on social media or send a message to your therapist.</p>	<p>Colored Hearts- On a paper towel, draw several hearts using kid markers and color them in. Go over them completely by tracing it with a black sharpie. Give your child a spray water bottle and have them spray the hearts. Practice the colors that appear through the black.</p>	<p>Painting with Cotton balls and Water- Use colored paper to highlight the water. With a wet cotton ball, paint the paper. Practice the words: large, small, circle, dot dot dot, more etc.</p>		<p>Remember to visit our website and social media sites for examples of activities. www.branchingtreetherapy.com Social Media: branching.tree</p>	<p>Color Coding System: Red= Holidays/Closed Blue= No prep activities Orange=Prep work is necessary Purple=Arts and Crafts Green=Boom Cards</p>	<p>www.boomlearning.com or download the app: <i>Boom Cards</i> Select "FASTPLAY" Enter the PIN</p>

Place a sticker, mark, or circle around the activities completed.
